Attn: Fundraising Organizer

Fundraising can be a big pain in the neck... I know it and you do too. You have to find the right "thing" to use to raise funds, organize your sales force, offer something people really want and will pay for, and then keep track of all the money... the list goes on and on!

I'm proud to introduce a FUNdraising system that really works, and I mean it works great and is a complete system: everything you need to run a smooth, secure and (very) profitable system for your team or organization.

How would you like to have a "gift card" created with your organization prominently displayed, and a real value of over \$100... to be sold for only \$20? It's easy!

Your organization's members and supporters will find it incredibly easy to sell this Deal Card, and your organization will take home a ton of cash in the process. Everybody loves a deal, wants to support your organization, and probably already knows about Sidelines... It all combines to make it the easiest, most fun and most profitable FUNdraiser you'll find!

You keep \$10 for each card sold, and the card purchasers will be thrilled to support your organization and get a terrific deal in the process. Minimum card order is 250 cards, so if you sell all 250 that's a guaranteed \$2,500 back to YOUR organization!

I love to help local organizations like yours, and I'm sure you like keeping money in the local economy as well. So, this year, keep your fundraising system totally local by using the Sidelines Fundraising Firestorm System.

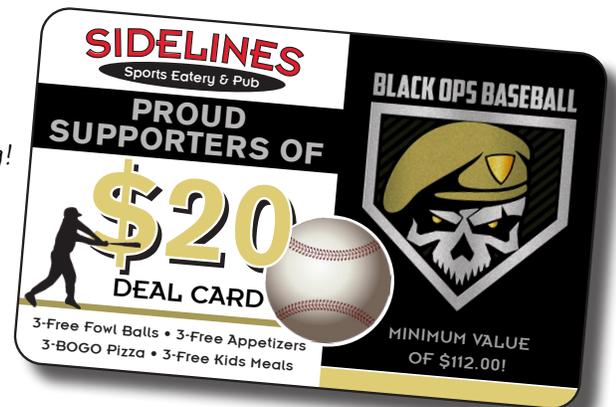

We would love to talk to you about your fundraising goal, and see if our Fundraising Firestorm System will really work for you. Just reach out to our Director of Operations, Tom, at: thomasmorris.SRG@gmail.com so we can chat about putting Sidelines to work for you and your fundraising!

To your success,

Eric

PS - As you might be able to tell, I'm really excited about helping local organizations reach their fundraising goals, and I think your organization might be a good fit for this system. Just email Tom at thomasmorris.SRG@gmail.com to start the conversation and see if it makes sense for us to work together.
