Sports Eatery & Pub

EST. 2000

## *Come for the Sports. Stay for the Food.*

Sidelines is your local sports eatery - loud enough to feel alive, comfortable enough to stay awhile, and known for food that consistently makes people say,

*"Wait... this is really good!"*

Yes, we love the sports atmosphere. The TVs, the energy, the game-day buzz.

But what truly keeps people coming back isn't the score on the screen - it's what shows up on the table.

Our menu goes well beyond the basics. We're talking hearty entrées, standout sandwiches, wings worth arguing over, our signature Fowl Balls, slow-cooked ribs, seafood dishes, and comfort classics done the right way. It's a big menu with real quality - the kind that surprises people who assume all sports bars are the same.

*Here's the thing: good food doesn't happen by accident.*

We believe in doing things the right way - starting with quality ingredients, including all-natural, hormone-free proteins and produce from trusted suppliers. No shortcuts. No cutting corners. Just food made with care and served with pride.

*And that pride lives in our people.*

Our kitchens, servers, bartenders, and managers are the heartbeat of Sidelines.

They're the ones firing the grills, running the food, remembering your order, and making sure your game day feels like your place. Great food is important - but it's our team that turns a meal into a reason to come back.

*That mindset has been here from the very beginning.*

Sidelines started in 2000 when three friends - Jerry Edmondson, Eric Sitter, and Chris Etts - took a chance on a small sports bar in Lambertville, Michigan. The community showed up, word spread, and the food did the talking.

In 2002, Sidelines earned its first Northwest Ohio Rib-Off win — the start of 13 Rib - Off trophies over the next decade. That commitment to quality fueled growth across the Toledo area, with locations opening in West Toledo, Maumee, Sylvania, Norwalk, and Perrysburg, along with additional concepts over the years.

*Today, Sidelines is still about the same things it was on day one:*

Great food. A welcoming place. A team that cares.

And a reason to stay for one more bite... or one more quarter.
